ens

Inspired by the classic Louis XIV mantelpieces, this fireplace carved in the stone of Estaillades features on its trumeau an antique decor of pilasters and moldings that draw a kind of frame. This fireplace also shows a large overhanging cornice with moldings, a pair of straight jambs adorned with engraved patterns, a thick molding on the lintel and a thin tablet. Hand-crafted in Provence.

Height 282 cm

Width 148 cm

Depth 55 cm

- Hearth opening : L 110 cm x H 104 cm - Base : L 170

cm x P 67 cm x H 7 cm
